TRIGGER.

DESIGN SHOW. NEW YORK, MAY 2014

THEME:

A trigger is something that initiates an action or series of events. We experience countless triggers a day that cause us to react and act in certain ways.

What might cause someone to trigger a gun? Your submission can be in defense of gun ownership, against gun violence, about bananas, or whatever strikes you about the topic. It can relate to self defense, guns themselves, mental health, etc. Create something that explores what triggers us as human beings.

(process maps welcome)

TRIGGER.

DESIGN SHOW. NEW YORK, MAY 2014

VENUE:

The show will be held at CultureFix gallery.

CRITERIA:

All work is welcome. Product concepts & prototypes are highly encouraged. Graphic posters, web or app concepts, wearables, mixed media -- anything that you feel addresses the theme.

DATES:

We are accepting submissions from January 14th - March 16th at 11:59PM. Show time is in May. Final dates announced soon.

See next page for submission details.

FEES:

There is no fee to submit work to the show. However, if your work is accepted there is a \$30 exhibition fee that will contribute to the cost of showing your work.

SHIPPING:

Designers will be responsible for shipping their work to New York for the show. Details to come later.

TRIGGER.

DESIGN SHOW. NEW YORK, MAY 2014

SUBMISSION DETAILS

NOW:

You are welcome to submit preliminary ideas by e-mailing info@triggershownyc.com. This is a great way to get some feedback on an idea before making it. If your idea is super rad, it may be accepted into the final show early.

JAN 15 – MAR 2:

On March 16th at 11:59PM, all submissions are due. To submit work, you must fill out this form: **Trigger Show Submission Form**.

Be sure to include photos and/or videos of your work. It is okay if your submission is in a prototype or conceptual phase! Final work is due in NYC mid to late April. So, you will have time to finish your model, rendering, or poster if selected for the show.
